1. Meta data of E- Content (Pre production)

S. N.	AREA OF META DATA	TO BE FILLED BY CONTENT GENERATOR(S)
1	Topic	Migration
2	Subject	Geography
3	Topic connected which area of subject?	Human Resources
4	Class/ Level	VIII
5	Objectives	To provide students an understanding about factors related to migration
6	Summary	People migrate to different areas due to various reasons. Various 'Pull' and 'Push' factors affect the migration. 'Pull' factors are those reasons which attract people to leave their place and move to another place. 'Push' factors are those which force people to leave their present place of residence and move to another place.
7	Key Words	Migration, Push, Pull
8	Team of content persons	Dr. Tannu Malik
9	Subject Coordinator	Dr. Tannu Malik
10	CIET Coordinator	

Activity: Read the various reasons of migration given in the box. Drag and put them under the category of Push or Pull factors

- **More job opportunities**
