S. N.	AREA OF META DATA	TO BE FILLED BY CONTENT GENERATOR(S)
1	Topic	The Cold Desert - Ladakh
2	Subject	Geography
3	Topic connected which area of subject?	Life in the Deserts
4	Class/ Level	VII
5	Objectives	To provide students an understanding of cold deserts.
6	Summary	A perfect example of a cold desert is Ladakh. Found in the state of Jammu and Kashmir, Ladakh is situated at a height varying from 3000-8000 meters. It is one of the driest and coldest places in the country. Indus is the most important river flowing through Ladakh. With population sparsely spread across, it is a tough abode for human survival.
7	Key Words	Cold Desert, Ladakh, Dry and Cold Weather
8	Team of content persons	Ms. Rekha Lohan
9	Subject Coordinator	Dr. Tannu Malik
