

Geography Upper Primary Stage

1. Meta data of E- Content (Pre production)

S. N.	AREA OF META DATA	TO BE FILLED BY CONTENT GENERATOR(S)
1	Topic	Disaster Management – Earthquake
2	Subject	Geography
3	Topic connected which area of subject?	Our Changing Earth
4	Class/ Level	VII
5	Objectives	Explain about do's and don'ts during an earthquake
6	Summary	An earthquake is a phenomenon that occurs without warning and involves violent shaking of the ground and everything over it. The occurrence of an earthquake in a populated area may cause numerous casualties and injuries as well as extensive damage to property. It is important to stay as safe as possible during an earthquake. In this short animated video “Appu dost” explains children about do's and don'ts during an earthquake. Appu clears the queries raised by the children in simple words.
7	Key Words	earthquake, do's, don'ts, safety tips
8	Team of content persons	-
9	Subject Coordinator	Tannu Malik
10	CIET Coordinator
