<b>4</b>	<b>Class/ Level</b>	IX
<b>5</b>	<b>Objective</b>	<ul style="list-style-type: none"> <li>• To make students aware about location of Himalayan ranges and important Himalayan peaks.</li> <li>• To make students familiar with the use of web portal <i>School Bhuvan NCERT</i> for better understanding of Himalayan region.</li> </ul>
<b>6</b>	<b>Summary</b>	The Himalayan range is one of the youngest mountain ranges on the earth. The Himalaya consists of three parallel ranges in its longitudinal extent i.e . the Great Himalayas, Himachal or Lesser Himalaya and Shiwaliks. Besides, the longitudinal divisions, the Himalayas have been divided on the basis of regions from west to east. These divisions have been demarcated by river valleys. Interactive activities such as drag and drop, fill in the blanks and multiple choice questions enable students to learn the concept joyfully.
<b>7</b>	<b>Key Words</b>	Himalayas, Great Himalayas, Himadri, Himachal, Shiwalik, Nepal Himalayas. Punjab Himalaya, Assam Himalaya, Kali, Tista.
